Distressed Ripped Slim Biker Jeans for Men

A smart, basic, all-match pair of distressed jeans with subtle rips brings a dash of retro feeling for someone who wants to show your sharp charming and elegant in the crowd.

The jeans are made with natural fabrics, which mean they won't stimulate our skin and cause toxic side effects.

Brief figuring style shows your slimming look without sacrificing comfort.

Work-to-weekend style is easy with these jeans.

Fading is not a matter of quality, but a denim fabric, all belong to a normal phenomenon.

Carving Craft Buttons and Delicate Fine Teeth Zipper

Ubiquitous details deliver your attitude to the pursuit of quality.

Tiny, Exquisite Stitching

Neat stitch is the best expression to high quality.

Manual-ripped Design

A combination of rips and retro color provides a sense of vintage.
